

COUNTY OF DUTCHESS

William F.X. O'Neil
County Executive

August 23, 2023

Mark A. Matthews, Sr., Chief Financial Officer
Glenham Fire District
PO Box 191
Glenham, NY 12527

Dear Mr. Matthews:

I am pleased to inform you that your entity has been awarded \$29,000 through the *2023 Municipal Investment Grant (MIG) Program* for the following project: Purchase & Install On-Site Training & Critical Storage Facility. We received 29 applications requesting more than \$2.9 million in funding, compared to an availability of \$1 million.

We look forward to working with our municipal partners and fire and rescue agencies to continue to promote efficiencies, long-term sustainability, and shared services, while ultimately generating savings for taxpayers.

The grant term will be October 1, 2023—September 30, 2025. You will soon receive an email from the Department of Planning and Development requesting information to begin the contract process.

Please remember this is a reimbursement program. No advance payments will be made. All project expenses must be made within the term of the grant and are subject to Dutchess County's Procurement Policies and Procedures. Please reference the [Dutchess County Contracted Services Policies and Procedures](#) for additional information.

If you have any questions, please contact the Dutchess County Department of Planning and Development's Community Investment Staff at communitygrants@dutchessny.gov or (845) 486-3600.

Sincerely,

William F.X. O'Neil
Dutchess County Executive
